

## Önnestads folkhögskolas vandrarhem

Welcome to our youth hostel located in a park about 12 km from Kristianstad and 20 km from Hässleholm and Åhus. There is a lot of sport activities, such as golf, canoeing, swimming and fishing, available within a distance of 25 km.

In Önnestad there are bus stops for buses to Kristianstad and Hässleholm, shops, a bank and a post office, within 200-400 meters from the hostel.

We have 35 rooms with about 35 beds. There are possibilities of combining the number of beds flexibly (1-, 2-, and 3 beds). Of course we can take care of groups. Then you can ask for a special prize offer.
